
Call for Papers
Discrete Applied Mathematics

Special Issue: 9th International Conference on Algorithms and Discrete Applied Mathematics (CALDAM 2023)

Brief Introduction

All interested researchers are invited to contribute to this special issue. The topics should relate to the themes of the conference—Approximation Algorithms, Combinatorial Algorithms, Combinatorial Optimization, Combinatorics, Computational Complexity, Computational Geometry, Data Structures, Discrete Geometry, Graph Algorithms, Graph Drawing, Graph Theory, Parallel and Distributed Algorithms, Parameterized Complexity, Network Optimization, Online Algorithm, Randomized Algorithms. Submissions of contributions not presented at the conference are also welcome. Contributions arising from papers given at a conference should be substantially extended, and should cite the conference paper where appropriate.

All articles will be thoroughly refereed according to the high standards of *Discrete Applied Mathematics*.

Guide for authors can be found at:

<https://www.elsevier.com/journals/discrete-applied-mathematics/0166-218x/guide-for-authors>

Full papers must be submitted through the Elsevier Editorial Manager System (<https://www.editorialmanager.com/dam/default2.aspx>). Please see the Author Instructions on the site if you have not yet submitted a paper through this web-based system. When submitting your paper, specify that the paper is a contribution for the special issue on the **9th International Conference on Algorithms and Discrete Applied Mathematics**, so that your paper is assigned to the guest editors. Be sure to select the special issue article type **CALDAM 2023**.

The deadline for submission is **October 31, 2023**. Accepted papers will be published online individually, before print publication.

We are looking forward to receiving your contribution.

The Guest Editors,

Dr. Rahul Muthu, Dhirubhai Ambani Institute of Information & Communication Technology, Gandhinagar, Gujarat, India

Dr. Amitabha Bagchi, Indian Institute of Technology, Delhi, India
